

## News From The Cub's Den – Week of 11/11

*Verse of the Day: For Christ suffered once for sins...to bring you to God." 1 Peter 3:18*

### School Announcements & Reminders

1. The next Family Night with Pharos presenting is **Tuesday, 11/19 at 5:30** in the Fellowship Hall with Pharos presenting a talk on managing temper tantrums in the home with choices and consequences to help develop self control. The meal provided by our board this month is from Mama's Pizza. Child care is provided after the meal. An RSVP was sent home Wednesday. Please send it back to school as soon as possible.
2. Parents and family members are invited to the 2<sup>nd</sup> annual **Thanksgiving program at CES on Tuesday, 11/26 at 11:00 in the Fellowship Hall.** We will have a sign up sheet on Class Dojo to bring in needed items for the meal. CES kids will perform a short skit with songs on stage in the Fellowship hall followed by the meal. An RSVP will be sent home soon so we can prepare enough food for all in attendance. Please be sure send it back to school as soon as possible. Thank you.
3. **CES will be closed Wednesday and Thursday, 11/27 & 11/28 for the Thanksgiving holidays.** School will resume Monday, 12/2. We hope you have a wonderful time of gathering with your families and focus on all we have to be thankful for.
4. The weather is turning colder. Please bring in a warm change of clothes to switchout for the upcoming winter season and make sure you child has a coat or jacket for recess.
5. Please send your child to bed early enough for them to get a sufficient night sleep. Some CES Cubs seem tired during preschool. We have a busy and full schedule each day and want our students to be ready and equipped for all of the fun activities planned for including working on the Abeka curriculum which requires their full attention. Rest is important for success in life. Thank you for your cooperation.
6. The next **Spirit Day is Tuesday, 12/3.** Please send your child to school in their school T-shirt to promote school spirit. Long sleeves underneath might be a good idea.
